WE'LL TALK ABOUT:

- Building a strong marriage
- Surviving a struggling marriage
- Deciding about separation
- Walking through divorce
- Navigating remarriage and blending families
- Healing, forgiveness, and moving forward

THE TRUTH IS...

Marriage isn't easy.

Divorce isn't simple.

Remarriage isn't automatic.

Healing isn't instant.

BUT GOD'S GRACE IS ENOUGH.

I DON'T COUNSEL FROM THE CHEAP SEATS.

I've been in the trenches.

I've asked the hard questions.

I've lived through some of the answers.

That's why I can sit with you — right here — and help you find your next right step.

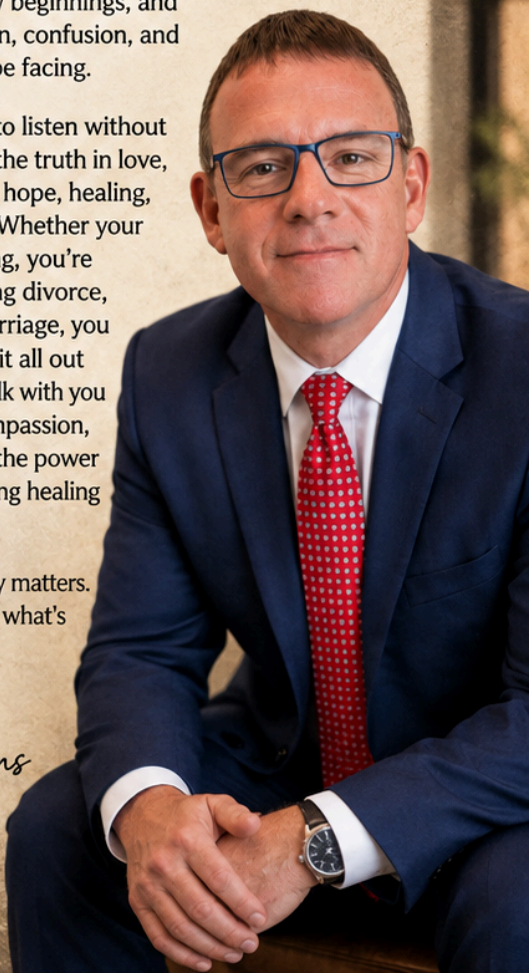

MY PERSONAL VOW TO YOU

I don't counsel from the cheap seats. I bring both biblical truth and real-life experience to the table. I have walked through seasons of brokenness, restoration, and new beginnings, and I understand the pain, confusion, and questions you may be facing.

My commitment is to listen without judgment, to speak the truth in love, and to help you find hope, healing, and a way forward. Whether your marriage is struggling, you're separated, navigating divorce, or considering remarriage, you don't have to figure it all out alone. I'm here to walk with you — with honesty, compassion, and a deep belief in the power of God's grace to bring healing and redemption.

You matter. Your story matters. And there is hope for what's ahead.
